FOREWORD

Dear Health Consumer,

This booklet has been written to inform you of the health services which are available in neighborhood health centers around the City of Boston. It includes up-to-date information on the hours, telephone numbers, costs and services offered.

Since this is the first edition, we would like your comments on its clarity and usefulness. Please contact ABCD at 742-5600, Extension 340 with criticisms and suggestions which will be considered in subsequent editions.
